

WELCOME NEW CLIENT

**WE WELCOME THIS OPPORTUNITY TO HELP
WITH YOUR GROCERY NEEDS**

Pantry is open Tuesdays 10am - 2pm
Thursdays 6pm - 8pm
Saturdays 8am - 12pm

Always bring your Photo ID or other identifying document.

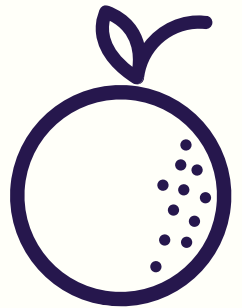

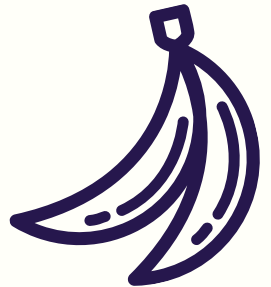

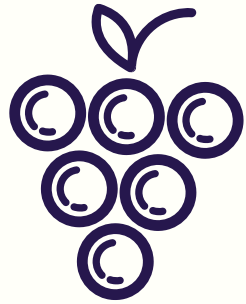

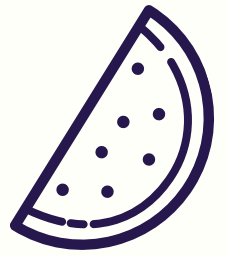

You may come one day each week for a food box and to shop in the front area. Your visit day should be consistent each week as this helps us plan and to make enough food available for everyone.

The shopping area items are of limited availability. Please respect the posted limits so everyone can enjoy them.

Pet food is available upon request. Other household items will be set out in the shopping area as available. Again, please observe the posted limits.

The pantry gives out as much food as we have available. There may be times when we are out of an item you like. Please be patient as these items may return at a later time.

We strive for this pantry to be a good experience for you.
Please share your thoughts, concerns or a testimonial.
